

# Senior Pathfinder

## OVERVIEW

We are looking for experienced senior executives and leaders to guide, advise, coach and connect talented mid-level professionals as they navigate their careers. Imagine being a “Modern Elder” who positively impacts future generations of leaders by accelerating their growth and impact on a local and global level.

### ABOUT THE ROOM

At [The Room](#), we work with the world's most ambitious doers to accelerate their impact. We do this by connecting innovative professionals to a network of people and opportunities through our members-only platform, allowing them to do more for themselves, each other, and the world. Individuals from around the globe find and share events, networks and resources to co-create a collective where opportunity and talent meet. **The Room platform is here to support members in becoming the best version of themselves** while sharing in the joy and fulfillment of helping others do the same.

### ABOUT THE OPPORTUNITY

The senior pathfinder role is dynamic. It will tap into your entire depth and breadth of skills and experiences. Senior pathfinders stand in the distinct position of having blazed a trail through their own professional lives—and they have the scars to prove it. Your deep understanding of the obstacles and hard-won successes of a game-changing career has the potential to be transformational for those that follow in your wake. We'll match you with Members who stand to benefit from your unique insight and expertise, ensuring a meaningful relationship founded in creativity, thoughtfulness, and reciprocity.

Senior Pathfinders have a passion for giving back. You understand that a legacy is built on more than individual success—it's about planting the seeds for future impact. Looking back on your career, you may recognize a handful of pivotal teachers who arrived at just the right moment. Mentors who picked you up when you fell down, challenged you when you felt uncertain, and guided you when you felt lost. With the wisdom you've accumulated in your own career, you can now become that vital guide for the leaders of tomorrow.

### PERKS

- Membership in The Room, an exclusive platform for the world's most talented professionals to connect, grow, and share their opportunities.
- Personalised matching with talented Members depending upon your availability, experience, and preferences.
- A junior pathfinder who will work closely with you to capture relevant information in our extensive information management platform—allowing you to focus on your connection and maximize your productivity and efficiency.
- Opportunities to connect with The Room's community online and in-person at a variety of events and meet-ups.
- Connection to our network of Senior Pathfinders who share your passion for making a difference in the lives of future leaders.

### SKILLSET

- **Passion for developing talented and ambitious professionals** - you have traveled this path before and would love to guide and mentor Members through the various challenges they face, and be there to celebrate their successes and game-changing advances.
- **Seasoned Professional with intimate industry experience and connections** - you know the terrain and can tap into a wide scope of knowledge and resources
- **Assured decision-maker** - you can confidently support and advise members through complex challenges.
- **Excellent listener** - you want to deeply understand your members' needs, hopes, and obstacles.
- **Incredible inquiry skills** - you partner with and help unpack the nuanced aspects of the members' needs in order to empower Members to expand their perspective and vision of what's possible.
- **Unconditional support and patience** - you understand that the journey for mid career professionals takes time and commitment. Our aim is to create a transformational—not transactional—connections.
- **Utmost discretion and confidentiality** - you will treat your members information with trusted professionalism.
